## MR. AND MRS. E. F. WOODWARD KILLED IN GRADE CRASH NEAR D'HANIS

Mr. and Mrs. E. F. Woodward, owners of Valdina Farms, were the victims of a collision of their automobile with a Southern Pacific train about 2:30 P. M. Saturday, May 22, at the grade crossing one mile east of D'Hanis. Mrs. Woodward was killed instantly and Mr. Woodward succumbed to injuries at 1:35 A. M. Monday morning at Medina Hospital in Hondo.

The couple were enroute to their Valdina Farms, one of the largest racing stables in the nation, in Medina and Uvalde counties, at the time of the accident.

The Woodwards maintained a home at 1605 Heights Boulevard in Houston. Their bodies were taken overland to that city Monday and joint funeral services were held at 10 A. M. Wednesday at the Heights Church of Christ by E. C. Coffman, minister. Entombment was made in Forest Park Abbey, Houston.

Mrs. Woodward was one of Houston's most philanthropic citizens, giving generously to churches and orphanages, although this was not generally known to the public. She was 64 years old and Sunday, May 23, would have been her birthday. Mr. Woodward was married in Medina, Ohio, and came to Houston about 35 years ago. Mr. Woodward also was 64 years of age. Harley E. Woodward, only son of Mr. and Mrs. Woodward, was killed in a plane crash in Arkansas several years ago.

Mr. Woodward began his career as an oil field roustabout and developed one of the country's largest oil fortunes. He then retired to develop one of its largest and most famous racing stables. Their Valdina Farms, northwest of Hondo, have produced hundreds of racers in the last few years. All of them bear the first name of Valdina. Prior to his interest in racing, Mr. Woodward was a champion transshooter.

Woodward began his career in the oil business at the age of 11, when he went to work for the Carter Oil Company in Pennsylvania. He worked in fields there and in Oklahoma, Ohio, Arkansas, Louisiana and Texas as driller or superintendent. He was an organizer with the late T. P. Lee of Houston and the late Frank Yount of Beaumont of the Yount-Lee Oil Company, which discovered the deep pay at Spindletop field near Beaumont. In 1935 the Yount-Lee Company was sold to the Stanolind Oil and Gas Company for about \$46,000,000. Mr. Woodward retired from active business in 1928.

Mr. and Mrs. Woodward are survived by a grandson, Robert Woodward; a daughter-in-law, Mrs. Grace Woodward, both of 2224 Brentwood, Houston. Mrs. Woodward is also survived by two sisters, Mrs. Freda Colvin of Sabinal and Mrs. Gay Martin of Hull; one brother, H. Stanley McGarry of New Mexico. Other survivors of Mr. Woodward are a sister, Mrs. Cora Noe of Totowa, Boro, N. J.; two brothers, William Z. Woodward of Houston and O. N. Woodward of Syracuse, N. Y.

With the shortage and rationing of some foods and various other articles, also low meat quotas, which allow us only a limited amount of merchandise with which to supply our customers, we the undersigned merchants of Hondo have agreed to close our establishments every Wednesday through June, July and August, beginning June 2nd. Due to labor shortage which makes it practically impossible to allow extended vacations, and in appreciation to our clerks who have been loyal to us during these trying times, we feel that this arrangement will give them a needed rest period, which they have earned.

We ask the cooperation of our customers in this arrangement.

## NEWS NOTES

From The

Navigation School

Issued by the Public Relations Office, AAFNS, Hondo, Texas.

### FIRST OF WAAC UNITS IS ACTIVATED AT FIELD

The advance unit of the 743rd Womens Army Auxiliary Corps arrived at the field during the past week to prepare for the arrival of the newly activated group which is expected to arrive shortly.

Members of the WAAC will be assigned to administrative jobs in the various departments throughout the field, with the purpose of releasing capable men for further training along lines which will suit them for active duty in the field.

Commanding officer of the new contingent is 3rd Officer Dolores M. Dorsch.

Officers and non-commissioned officers of the WAAC hold corresponding ranks to those held by members of the regular Army and are entitled to the same privileges and courtesies shown to their rank.

The WAACs will be quartered in separate barracks on the east side of the field close to the station hospital.

### "SWING'S THE THING" TO BE NEXT U. S. O. PRESENTATION

A sparkling show, filled with music and variety, is scheduled to visit the field, June 16, as U. S. O.-Camp Shows presents the tuneful "Swing's the Thing", featuring the melodies of the nation's finest collection of soloist jazz musicians, Al Sears and his orchestra.

In addition to this orchestra which calls itself a "powerhouse of rhythm", Chuck and Chukles, comedy juveniles who made their debut in New York playing the most popular theaters in the East coast circuits, will be on hand with their "Rhythm for Sale" routine. Three attractive young girl dancers, the Three Poms, offer swift tap and ruff specialties with modern routines. Irene Wiley, blues singer, rounds out the show with her full vocal arrangements of St. Louis Blues, Deep River and other all-time favorites.

The performances will be in the evening at 8:30 and 8:30 and all men of the post will be admitted free. Enlisted men will attend the first show, officers and cadets the second.

### POST BAND CONTINUES SCHEDULED CONCERTS

The 324th AAF band presented its scheduled concert Thursday evening, May 20, at the enlisted men's Service club, including many favorite and popular light classic selections. Among the well received numbers were: Hoagy's Carmichael's "Stardust"; "On the Mall"; "Kiss in the Dark"; and the martial "Stars and Stripes Forever".

The 36-piece band planned another widely varied program for the following program for Thursday night, May 27. Included in the program were:

"The National Anthem"; the march "Americans We" by Henry Fillmore; Felix Mendelssohn's "Ruy Blas"; "Down South", an American sketch, by Wm. H. Myddleton; selections from Kaiman's "Sari"; the martial "Golden Gate"; "Andalucia", from "Suite Espagnole" by Ernesto Lecuona; a novelty, "Red Rhythm Valley", by Chas. L. Hill; and "March and Procession of Bacchus", from the Ballet, "Sylvia", by Leo Delibes.

The following program will be presented at 8:15 p. m. June 3rd:

### FORMER D'HANIS BOY HELD

Mrs. Della Ernst, 122 Helena Street, San Antonio, has just received word her son, Norman L. Ernst, 20, armor specialist, is a prisoner of the Japs. This is the first word she had had from him since the fall of Corregidor in the Philippines, where he was stationed with the air corps.

His school days were mostly spent in D'Hanis. He enlisted at Kelly Field in 1940 and arrived in Manila two weeks before war was declared. He graduated from Lowry Field, Denver, Colo., as an armor specialist in August, 1941.

His brother, John C. Ernst, is a chief technical inspector at Duncan Field. His sister is Mrs. Edgar Ullman who resides with her mother and whose husband is a petty officer second class in the U. S. Navy. His father is A. L. Ernst.

DANIEL D. HERRERA

Lasaro Herrera of Hondo is very proud of his sailor son, Daniel D. Herrera, who is first cook in the U. S. Navy, now stationed somewhere in South Africa. Daniel enlisted in the Navy six months ago and was sent to Norfolk, Virginia, for his first training. He was later transferred to California, and then overseas. Daniel's brother, Luis D. Herrera, is employed at Hondo Army Air Field in the Quartermaster Corps.

NAVIGATOR WINGS AWARDED

Hondo's first native son to graduate from the Hondo AAF Navigation School is Lt. Charles H. Smith, 27, who received his silver wings as an aerial navigator on May 13th. He trained at Santa Ana Air Base, Santa Ana, Calif., and at Kirtland Field, Albuquerque, New Mexico, where he was commissioned a second lieutenant and received the wings of an aerial bombardier from the Air Force Advanced Flying School. Lt. Smith has been assigned to the heavy bomber field at the Pyote, Texas, Air Base to train with the famous 19th Bombardment Group. He is the son of Dr. and Mrs. W. H. Smith, Hondo.

The National Anthem; march, "The Fairest of the Fair", by John Phillip Sousa; overture, "Egmont", by Ludwig Beethoven; Mexican Serenade, "Estrellita", by Manuel Ponce; "Furiant" from "The Bartered Bride", by Friedrich Smetana; March-Paraphrase, "Ciribiribin", by Pestalozza-Alford; "Intermezzo" from "The Jewels of the Madonna", Ermanno Wolfe-Ferrari; characteristic sketch, "Two Guitars", by Harry Horlick, and selections from Rudolf Friml's operetta, "The Firefly".

### THIRD RECORD CONCERT FINDS MORE INTEREST

The first and third movements of Franck's "Symphony in D Minor" opened the third in a series of Wednesday evening record concerts, held in the post library, May 26.

Included in the program of the latest of these concerts which continue to draw larger audiences, were: "Invitation to the Waltz", by Weber; selections from Prokofiev's "Love for the Oranges"; and the overture to "Oberon", by Weber.

These programs, consisting of music played by the most famous of symphony and philharmonic orchestras, are planned and directed by Sgt. William Jolesch, in cooperation with the special service office.

### HONDO SAILOR OVERSEAS

From now on the newly constructed housing project adjacent to the Navigation School will be known as "Hondo Navigation Village". The name was submitted by the Hondo Chamber of Commerce membership as one which would be suitable for such a project. The name was approved by Marshall W. Amis, Regional Director, Region VIII, as a proper designation for the Hondo War Housing Project. Mr. Amis expressed thanks to citizens of Hondo and those who submitted names through the Hondo Anvil Herald and Chamber of Commerce office. Charles M. Bialkowski, who has been serving as Project Engineer for the project, submitted the name accepted.

Hons C. Richards, Superintendent of the Hondo Public Schools, was nominated for the Directorship of the South Texas Chamber of Commerce and will attend the annual meeting June 2nd at San Antonio with Joe Law, Manager of the Chamber of Commerce.

Application was officially presented to the United States Chamber of Commerce for membership with that organization. Affiliation with the United States Chamber of Commerce will do much to strengthen local programs and make available an unlimited amount of information service valuable to the membership.

### CHAMBER OF COMMERCE COMMENTS

The first signs of activity relative to the laying of sewer lines in the City were evident Tuesday when one of the first bidders took samples of the soil in this area. The contracts for the construction of the sewer lines will be let June 2nd at Fort Worth. The sewer contract will probably require a working force of between 80 and 100 men, skilled and unskilled labor, and it is expected to start immediately following the letting of the contract.

A reward is being offered to anyone finding or returning in good condition one Armadillo which made a sensational escape from a wooden crate tightly bound with bailing wire back of the Chamber of Commerce. The animal was caught in the vicinity of Hondo by Frank Dominguez, an employee of the Hondo Electric System. Mr. Armadillo was scheduled to depart Sunday afternoon at 3:10 P. M. on the Southern Pacific Railroad where he was to be presented to the City Park Zoo at Rosenberg. It is believed that Mr. Armadillo left his crate sometime between the hours of 8:00 P. M. Saturday night and 9:00 Sunday morning. He can be identified by a tag on his rear right leg which had the inscription "Courtesy Hondo Chamber of Commerce, Hondo, Texas". Ray Jennings, manager and operator of the Raye Theater, posted a reward of two tickets to any performance at the Raye Theater. To be eligible for the reward the finder must bring said illusive armadillo to the rear door of the City Light Office.

A committee representing several towns in Medina County is expected to journey to Austin where they will discuss with Dr. Cox, State Director of Public Health, plans relative to the proposed County Health Unit sponsored by the Hondo Chamber of Commerce. It is hoped that a commitment will be obtained providing how much funds will be available and can be matched with a quota of \$3500 set up for this County.

Again landlords and property owners renting or leasing out their property and who have not to date registered their places are urged to contact the Chamber of Commerce office where an ample supply of blanks are available. Although the dead line has already passed, a short extension has been granted to those who failed to register or who did not understand clearly the Office of Defense Area regulations.

New membership cards are now available to all members and will be sent to all Chamber of Commerce members on June 1st.

The entire membership of the Board of Directors will hold the first joint meeting with the Castroville Chamber of Commerce and Fire Department for the purpose of presenting plans for the proposed County Board of Development.

The purpose of the Medina County Board of Development will be to promote commercial, financial and industrial civic interests of Medina County, in addition to carrying on an extensive campaign to advertise the industrial possibilities of Medina County. Practically every community and town in the county will be invited to affiliate with this organization. In addition it will also endeavor to jointly sponsor all county projects and programs such as Boys' Fat Stock Show, County Health Unit, Highways and Lateral Roads, Agricultural and Stock Programs. The Castroville meeting will be the first of a series to be held over the County of local business men visiting the various towns in a body. The meeting will be held June 8th at 8:30 P. M.

### HONDO HIGH SCHOOL TO GRADUATE THIRTY-THREE SENIORS TONIGHT

Thirty-three Seniors of Hondo High School will receive their diplomas at the Commencement exercises tonight at 8:30 o'clock in the high school auditorium. The awards will be made by Mr. Henry Merriam, member of the school board.

The graduates are Betty Jeann Bader, Darlene Balzen, Mrs. Keitha Bendele Robertson, Adele Braden, Nina Marie Faglie, Rosemary Finger, Dorothy Grell, Dorothy Hoeke, Francis Johnson, Mrs. Mildred Lindenburg Wernette, Adele Muennink, Velma Muennink, Dorothy Ney, Sue Stevens, Lois Sumner, Mrs. Margaret Wools Henry, Odilia Quintanilla, Charlyne Barrett, Hilmar Bendele, Harold Bohlen, Henry Buss, William Fly, Marcellus Garrison, Robert Groff, William Holloway, Clyde Johnson, Joe King, Thomas Ney, Monica Perez, Wilfred Schulte, Walter Speece, Robert Van Fleet, and Frank Gallagher.

Baccalaureate services were held at 8:30 Sunday evening, May 23, in the school auditorium with a large crowd in attendance. The sermon was delivered by Chaplain James E. Southerland of the Hondo AAF Navigation School, who chose as his subject, "These are serious times" and called upon the Seniors to accept the challenge of the times. Rev. R. R. Gresham asked the invocation and Rev. C. Garcia gave the benediction. Music was given by Mrs. R. C. Rath who also played the professional and recessional for the graduates and accompanied the High School Glee Club who sang "Come To Me".

Class Night was a brief, informal program presented by members of the graduating class Tuesday evening in the school auditorium. The program included class history, class will, and introduction of class members. William Holloway was master of ceremonies and the program came to a close with the singing of "Auld Lang Syne".

Tonight's Commencement program will include music by Mrs. Rath; a song, "In the Garden of Tomorrow", by members of the class and the School Song by the entire class. The invocation will be by Rev. R. P. Davis and the benediction by Rev. M. J. Lorfing. Supt. H. C. Richards will present the class, followed by a Salutatory by Dorothy Ney and the Valedictory by William Holloway. Rosemary Finger will give the President's Address, followed by the awarding of diplomas and scholarships. Thomas Ney will give the response.

For further information by calling at the Chamber of Commerce office.

The Board of Directors of the Hondo Chamber of Commerce have revised their policy on listing vacancies registered at the office.

The Chamber of Commerce office will no longer attempt to conduct a rental agency but will instead conduct an information bureau to landlords on regulations pertaining to the registering of apartments, rooms, etc., however, for the convenience of landlords they will receive listings of vacancies which will be referred to Captain Hargis, Billington Officer, who will receive all inquiries for room and apartment rentals.

San Antonio Area Rent Office has asked the Chamber of Commerce to assist them in disseminating information on housing regulations so that the public may be better informed on the requirements such as registration of apartments, change of tenancy, notices of evictions, etc. All requests made at this office and listings will be referred to Captain Hargis. He can be reached through the Post Exchange by calling 565. Captain Hargis has asked the Chamber of Commerce to make an appeal through the landlords to request that war workers show a Post Permit which gives them permission to live off the Post. In the event that they may be accepted by the landlord, it is understood that the landlord has a right to make his own selection even though they have been referred by the Post. Landlords who have not listed rooms or apartments and who are now renting the facilities are urged to make application forms at once. Application form blanks are available at the Chamber of Commerce office. Application blanks are also available for eviction notices and landlord rent adjustments.

"Landlords are advised that they will have the privilege of selecting their tenant from a group of as many as 10 eligible applicants," said Captain Hargis. This means that the landlord does not have to take the first or any other application but would have his own choice from the preferred list of 10 eligible renters certified by the Army Housing Board.

The citizens of Hondo are being appealed to from a patriotic standpoint to assist the Army in maintaining the high efficiency of operation of this training school by housing the key workers first.

### CITY NOW OWNS WATER WORKS

The deal whereby the City of Hondo becomes the owner of the city waterworks was completed Wednesday, and the city is now in possession of the property and is operating the same.

Homer Wilson, who "grew up" with the plant and has been manager for the Sun Utility Co. since its ownership, will continue in the same capacity as manager for the city.

Mrs. Jacob Reilly spent the weekend in San Antonio with her son-in-law and daughter, Dr. and Mrs. R. E. Rahm, and family. While there she attended the birthday celebration of Mrs. Fred Metzger. Those present were Mr. and Mrs. Fred Metzger, Mrs. Reilly, Mrs. Hettie Wipff, Mrs. R. E. Rahm and daughter, Shirley, Mrs. Hettie Dulnig, Mrs. Annie Herwig, Mr. and Mrs. Ernest Brotze, Mr. and Mrs. Robert Brotze, and Mr. and Mrs. Stucke. Refreshments of cake, cookies and coffee were served. All had a most enjoyable time.

Lt. Joe Roberts writes from somewhere in the North Pacific war zone to his family here. Mrs. Roberts is the daughter of Mr. A. B. Brucks and is employed at the Air Field here. Lt. Roberts, who is a pilot, was formerly stationed at Austin, Texas, and from there was sent to Miami, Florida. He spent some time in India and sent home items that indicated that he was in the vicinity of the Burma Road.

A letter written May 11 from Joe Brucks of the U. S. Marines, has been received by his uncle, Mr. Emil Britsch, in which he tells of being "back in civilization after nine months in a hell hole". Joe was on Guadalcanal at the time of the hot contest with the Japs for its possession and it is believed he is now either in New Zealand or Australia. He is the son of Mr. and Mrs. Willie Brucks of Hondo.

Mrs. Hugo Schweers returned Friday of last week from San Francisco, California, where she spent several weeks with her son-in-law and daughter, Rev. and Mrs. Roland Wiederanders, and her little granddaughter, Christine Elizabeth Wiederanders. She also visited her son's wife, Mrs. Hugo Schweers Jr., who is staying in San Francisco while Ensign Schweers is on active duty with the Navy.

Henry Martin Finger, who was inducted into the Army two weeks ago in San Antonio, has been sent to Camp Maxey, Paris, Texas. Pvt. Finger, son of Mr. and Mrs. Charles Finger, is a graduate of Hondo High School and was attending St. Mary's University in San Antonio at the time of his induction. The home paper will follow him wherever he is stationed.

Cpl. Daniel Sanchez arrived home May 17th from Seattle, Washington, for a brief furlough with his parents, Mr. and Mrs. Jacobo Sanchez, his sister, Juanita Sanchez and Mrs. Marshall Sathoff, and his brother, Jacobo Sanchez. Daniel has been in the army two years and is in the Coast Artillery. He returned to Washington on May 23rd.

A card from Mrs. Lucy Van Fleet asks that her home paper be changed from Groves, Texas, to Fort Worth, where she is making her home with her son, Bill Van Fleet, sports writer for the Fort Worth Star-Telegram. Her daughter, Mrs. Trimble, is also making her home in Fort Worth while her husband is in the Army.

Preston Moeblus was home on a 12-day furlough from San Diego, California. After spending several days with his parents, Mr. and Mrs. Fritz Moeblus, and other homefolks he returned to the West Coast. He entered the Navy on March 3 and after eight weeks training was promoted to Petty Officer, third class.

### BEAUTIFUL TEA COMPLIMENTS MRS. AMOS FINGER

The ranch home of Mrs. Woodrow Glasscock gave the scene for a showery tea of beautiful appointments Saturday afternoon, May 22, from four to six o'clock, in compliment to Mrs. Amos Finger, the former Miss Josie Rothe of D'Hanis. Hostess with Mrs. Glasscock was her sister, Miss Ola Jenkins.

The spacious home was illumined throughout with the soft radiance of white tapers in crystal holders. The motif of green and white was developed in graceful arrangements of Shasta daisies and ferns in crystal vases about the reception suite where the seventy guests were received. In the receiving line with Mrs. Glasscock and the honoree were the latter's mother, Mrs. Henry Rothe, and Mr. Finger's mother, Mrs. Wm. Finger.

Mrs. Glasscock wore black marquisette with tiny white collar and a nosegay of daisies in her hair. Mrs. Amos Finger's frock was fashioned with a marquisette skirt and moire bodice in pale blue, the square decollete finished with rosettes of moire. Her corsage was of gardenias. Mrs. Rothe wore black sheer with pink carnations and Mrs. Wm. Finger's costume was black crepe and her flowers pink and white carnations.

Assisting in receiving were Mrs. Lonnie Glasscock Sr. of Marthas, Mrs. Lonnie Glasscock Jr. of Stamford, and Miss Jenkins. The senior Mrs. Glasscock wore a formal black crepe and white lace gown while Mrs. Glasscock Jr. wore black taffeta. Miss Jenkins' gown was of black lace, the off-shoulder decollete marked with a large pink rose. She also wore a pink rose in her hair.

Mrs. John Zinsmeyer, in pink crepe with a corsage of pastel flowers, greeted the guests at the front door. The gift room was in charge of Miss Lucy Rothe, whose frock of sea-foam green marquisette was enhanced with a corsage of salmon gladioli. Mrs. Wm. Edwards, of Hondo, mother of the hostess, presided over the guest book. She was attired in a sheer black dress. Shasta daisies cascaded from a large crystal bowl which adorned the tea table and white tapers in sparkling crystal completed the distinctive arrangement. Cake squares, iced in white and decorated with tiny yellow flowers and green leaves, tea sandwiches, green and white mints, and punch were served.

Mrs. W. J. Fahn, of Uvalde, presided at the punch bowl and Miss Ethel Rothe served the cake. Mrs. Fahn wore rose taffeta and a corsage of white carnations. Miss Rothe had on a blue and white dotted Swiss dress and wore red roses in her hair.

### LIONS CLUB TO AID RED CROSS BLOOD DONOR SERVICE

The Hondo Lions Club is aiding the American Red Cross in obtaining Volunteer Blood Donors. The Army and Navy need thousands of units of human blood every month to be used in transfusions to save the lives of soldiers, sailors and civilians suffering from shock following injuries, hemorrhages or burns.

The RED CROSS BLOOD DONOR SERVICE is meeting a basic need. Through this service, volunteer blood donors have an opportunity to take vital part in the war.

What is BLOOD PLASMA? The clear liquid portion of the blood which remains after the cells have been removed. Whole blood must be "typed" for each patient and deteriorates rapidly. Plasma keeps indefinitely and can be used without typing.

Who may serve as VOLUNTEER BLOOD DONORS? Any healthy adult between the ages of 18 and 60; those under 21 years of age must have written consent of parents or guardian.

About forty-five minutes is required for registration, donation and refreshments. Not less than one-half pint; not more than one pint is taken. Anyone can safely donate blood. The safety of the donor is assured by simple tests and the donor's blood is studied for evidence of disease before the plasma is prepared.

The blood is sent to a laboratory where it is processed into plasma, made ready for use as a transfusion and delivered to the Army and Navy for distribution.

This method is new. It is a great medical advance, and has never been used anywhere before on so large a scale.

Make an appointment with the Red Cross Blood Donor Service by calling the Red Cross, advising when you will be in San Antonio and when you can call at the Blood Donor Center, 422 Moore Building, to make your contribution to the saving of the life of an American soldier or sailor.

Certain requirements must be met by donors such as age, weight, food eaten during the six hours immediately preceding going to the center.

Anyone from out of town calling at the center will be accommodated immediately. However, when a group of more than three or four are planning to call at the center they should so advise in order to schedule the work and save a useless trip to San Antonio.

The Hondo Lions Club urgently requests all who can possibly do so to arrange for such contribution at the very earliest date.

The Red Cross will endeavor to arrange individual or group visits to the Blood Donor Center for those who can not otherwise arrange transportation.

### SOCIETY OF CHRISTIAN SERVICE HOLDS MAY MEETING

The Women of Christian Service met at the home of Mrs. H. B. Eggen Wednesday afternoon, May 19th, at 4 o'clock, with twenty members present. The leader was Mrs. Horace Schweers, and her topic was "In Concern for Children". Scripture, Matt. 18, 16. In that hour came the disciple unto Jesus, saying: Who is greatest in the kingdom of heaven? And he called to him a little child, and set him in the midst of them, and said: Verily, I say unto you, Except ye turn and become as little children, ye shall in no wise enter into the kingdom of heaven. Whosoever therefore shall humbly himself as this little child, the same is the greatest in the kingdom of heaven. And who shall receive one such little child in my name receiveth me; but who shall cause one of these little ones that believe on me to stumble, it is profitable for him that a great millstone should be hanged about his neck, and that he should be sunk in the depth of the sea.

A few children's hymns were sung, and a prayer and benediction closed the meeting.

Ice cream and cherry cake were served by the hostesses, Mrs. A. C. Gilliam and Mrs. H. B. Eggen.

### UNITES HELD FOR INFANT

Last rites were held Tuesday afternoon at 2 o'clock from the Porter Loring funeral chapel in San Antonio for James Scott Benton, nine-months-old son of Mr. and Mrs. L. F. Benton of Yancey. Interment was made in Roselawn cemetery in San Antonio. Besides the parents, the infant is survived by his brothers, William Edward and Lawson Finley Benton, and his grandparents, Mr. and Mrs. J. F. Benton and Mr. and Mrs. W. F. Bugg, all of San Antonio.

### USO CLUB NOTES

#### NEW INNOVATION ON BINGO NIGHT

You missed a barrel of fun this last Tuesday night between 8 and 9 o'clock if you didn't attend the Bingo game. Mr. Bert Gould, Program Consultant of the National Catholic Community Service, provided an interesting number of new innovations including Crazy Bingo, Race Horse Bingo, On the Beam Bingo and Jack Pot Bingo. The latter has as a prize, \$1.00 in War Savings Stamps. Of seven numbers called no one bingoed so the prize goes into the jack pot for next week. The prize will be \$2.00 and nine numbers will be called. This will be continued each week building up the jack pot until it has been won.

If you want to know how those other fascinating games are played, Crazy Bingo, Race Horse Bingo and On the Beam Bingo, we suggest that you make your plans now to attend next Tuesday evening between 8 and 9 o'clock—and be sure to tell your friends.

#### NATIONAL PROGRAM CONSULTANT VISITS

Mr. Bert Gould, National Program Consultant from the National Catholic Community Service in Washington, visited the club Monday, Tuesday and Wednesday, conferring with members of the Council, Post Officials, Hostesses, and with Mr. B. G. Powell, Director, and Dr. Otto Wick, Assistant Director. Many new ideas for our programs were discussed and plans laid for our future activities. Mr. Gould was very gracious in a comment for the splendid effort of cooperation and fellowship prevailing, and the splendid work done by those who have so liberally given their time to help make the Hondo Club what it is. We look forward to future visits from Mr. Gould.

#### WANTED! WANTED! WANTED VOLUNTEERS!

The local USO Club is calling for volunteer Hostesses who are badly needed at the Club on week days as well as Saturdays and Sundays. There is an excellent group of local women who are serving but are giving their time at the information desk as well as other activities, and this is a plea to hostesses who would like a part in this work. If you have time that you feel you can give, you are asked to contact Mrs. R. J. Reilly and let her know when and how often you can serve.

The attendance over the week-end is extremely heavy and we realize that it is difficult for many people, and yet the purpose has no more worthwhile effort than this. So this is a plea for additional volunteers even though you are only able to come one short period during the month. Ask for one of the pamphlets "My Place in the U. S. O." prepared by the local club directors which

gives information of service that hosts and hostesses may render at the club. It may be obtained at the club or from your hostess chairman.

#### MONDAY NIGHT IS GAME NIGHT

Make it a point to come to the Club next Monday night and make this a gala affair by playing the game of your choice. If you will contribute we will have an excellent attendance and we will enjoy your participation.

#### THURSDAY NIGHT SQUARE DANCE

This activity held every Thursday evening is growing in interest every week. The music is furnished by Lennie Latham's orchestra from Linnell, usually augmented with talent of service men. You will enjoy participating or visit the Club and on the side line and watch. So plan now to attend next Thursday night.

#### WAR RATION BOOK III

This new book, replacement for present books when their stamps are used up, will be distributed during the early summer. It contains four pages of "point" stamps similar to the point stamps in War Ration Book Two, though slightly different in design and printed in brown ink. It contains four pages of "Unit" stamps for the type of rationing now used for sugar, coffee and shoes. Each page of the 48 stamps bears the design of a different war machine.

Application forms good for a single person or an entire family, will be dropped in every mail box by postmen in late May and early June. The head of the house will fill out the cards, which are pre-addressed to OPA mail centers, for the entire family and mail them by June 10. At the present rate of "spending" books one and two will be exhausted by fall and since book three will be used then as a replacement the public should be cautious about spreading "rumors" of new ration programs.

MRS. LOUIS GEFINGER,  
Community Service Member  
Medina County War Price  
and Ration Board.

#### MEDINA GROUP SUES CITY OF SAN ANTONIO

Notice of a suit demanding "specific performance" and filed by the Medina Electric Co-operative association was served on Mayor Gus B. Mauermann and the City of San Antonio Monday.

The suit, filed in the Thirty-eighth District court at Hondo, is in connection with an effort being made by citizens of Medina County to force San Antonio to sell an electric distribution system owned by the city and serving various settlements in the neighboring county.

Citizens of San Antonio voted down the proposition to sell the property at the city election held here May 11.—San Antonio Light.

## LA COSTE LEDGERETS

### The LaCoste Ledger.

Sergeant Foster Eugene Miller is the son of Mr. and Mrs. Henry Hugel of Castroville. He enlisted in the United States Army Air Corps in February, 1944. He was stationed at Kelly Field for some time. In 1941 Gene was sent to Harlingen, Texas, to attend gunnery school. When he graduated from this school and received his diploma as Aerial Gunner, he was sent to Greenville, South Carolina. There he studied gunnery also. His next transfer took him to Miami Springs, Florida. He was there only ten days when he moved to South America and from there to North Africa.

The Commanding Officer of the Army Air Base, Pueblo, Colorado, announces the promotion of Edward W. Kempf to the grade of corporal. Cpl. Kempf entered the armed forces August 6, 1942, being inducted through Board No. 1 of San Antonio. At the present time he is in the Base group at the Pueblo Army Air Base where he is working in the message center. Edgar is the son of Ed. Kempf of Atascosa, Texas. His wife and baby daughter reside here in LaCoste with her parents, Mr. and Mrs. Wm. Keller.

Corporal and Mrs. Herbert Weiblen from Fort Sam Houston, San Antonio, spent Sunday with Cpl. Weiblen's parents, Mr. and Mrs. Fritz Weiblen, at the Sauz.

J. Aelred Tondre, Seaman first class in the United States Navy, has been in the service since last August and after he completed his basic training he attended Fire Control School in San Diego, Calif. He has now finished that course and will go to the East Coast where he will receive orders for sea duty. He departed Thursday after having enjoyed a full ten days at home. Aelred is the son of Mrs. Joe L. Tondre of Castroville.

Coast Guardsman and Mrs. Bernard Jungman and baby daughter, Phyllis, from Galveston are visiting relatives in LaCoste this week. Bernard, who is Machinist's Mate second class in the Coast Guard, is enjoying an eight-day leave. They are visiting Mr. and Mrs. Alex Jungman and Mrs. Alfred Keller.

Private Oliver B. Harless was recently raised to the rank of Private First Class. He is stationed in Grand Island, Nebraska, and is the son of Mr. and Mrs. A. B. Harless of LaCoste. His wife is residing here with her parents, Mr. and Mrs. Bernard Harless.

Flight Officer R. C. Lee surprised his wife and her parents when he flew in from Avon Park, Florida, Saturday. He remained to visit with Mrs. Lee and baby son and Mr. and Mrs. Fritz Weiblen and family Saturday and Sunday. He made the trip in five hours.

Mr. and Mrs. George Echtle of LaCoste were happy to receive word from their son, Pfc. Francis G. Echtle, stating that he has reached his destination safely. Francis is now in North Africa and his parents recently received three letters, the last one bearing the date May 2nd.

Sergeant Joe Fischer and Mrs. Fischer from Camp McCoy, Wisconsin, are visiting with Mrs. Fischer's mother, Mrs. Adel Koshler, in San Antonio, and other relatives during Sgt. Fischer's furlough.

Mrs. A. P. Parma, Howard B. Zuercher, and John L. Zuercher were Hondo visitors Wednesday evening.

Guests at the home of Mr. and Mrs. L. L. Biediger and family here today were Mr. and Mrs. George Biediger, Mr. and Mrs. Elmer Saat, Mrs. Anna Weiblen, Mr. and Mrs. Robert Halty, and Mr. and Mrs. Mack.

Mr. and Mrs. A. H. Biediger and Mr. and Mrs. Charles Biediger and baby from San Antonio visited with relatives here Sunday. Mrs. Cecilia Biediger, who spent the past three weeks with relatives in San Antonio, returned home with them.

Edward Bohl of LaCoste underwent an operation for appendicitis at the Santa Rosa Hospital in San Antonio Tuesday.

Mrs. Henry Salzman and son, Wilfred, and Patrick and Gary Griffin, spent Wednesday visiting Mr. and Mrs. Harold Nestor and daughter, Linda Lou, at D'Aris.

Mr. and Mrs. Jake Friesenhahn and children, Betty Lou and Clifton, and Mrs. Rosa Hutzler of Marion visited relatives here Sunday. Mrs. Hutzler remained for a few weeks' visit.

Mrs. R. C. Lee and little son, Alfred Charles, departed Tuesday evening for Avon Park, Florida, where they will join Flight Officer Lee. They had been visiting Mrs. Lee's parents, Mr. and Mrs. Fritz Weiblen, at the Sauz for some time. Arthur Weiblen accompanied them to Florida and will visit with them for some time.

Mr. and Mrs. Leonard Jungman and son, Robert, of Corpus Christi, and Mrs. Alex Jungman Jr., and son, Curtis, of San Antonio spent

Sunday here with Mr. and Mrs. Alex Jungman and with Coast Guardsman Bernard Jungman and wife and daughter, Phyllis, of Galveston who are visiting here with relatives on an 8-day leave.

## ABOUT PEOPLE YOU KNOW

### The Bandera New Era.

W. G. Brymer Jr. has been transferred from Oklahoma City air base to the Hondo air base as inspector.

Mr. and Mrs. Herbert Erick and daughter were at Bandera Clinic Sunday where Mrs. Erick had the end of her finger, which she had crushed in a car door, amputated. They live about 12 miles southwest of Hondo.

### The Pearsall Leader.

Mr. and Mrs. Ed Tondre have received a letter from their son, George, who is working in the Aviation mechanical department of Perrin Field, Sherman. He informs them that he has been promoted to Superintendent of the field.

Mr. and Mrs. Leon Steinele of Jourdan, enroute from an extended trip through the northeastern states, stopped over Tuesday for a brief visit with Mrs. Steinele's sister, Mrs. V. E. Davidson and Mr. Davidson. Mr. and Mrs. Steinele were accompanied to Jourdan by their little daughter, Angela, who has been a guest in the Davidson home for several weeks.

### The Uvalde Leader-News.

B. Padgett of the Seco, which occurred on May 8 in San Antonio with the Rev. Mr. Skinner officiating. The couple are both graduates of the Utopia High School. The bride is employed at Kelly Field and the groom, a well-known young ranchman, is now in the army and stationed at Del Rio.—Vanderpool.

Mr. and Mrs. Alonzo W. Luce of Hondo spent the week-end here with his parents, Mr. and Mrs. R. C. Luce.—Montell.

## DEVINE NEWSLETS

### The Devine News. BRISCOE'S FARM BARN BURNS DURING STORM

An electric storm passed over this section Sunday night, with much thunder and lightning, but so far as we have heard, little more than a sprinkle of rain fell anywhere near town. During the storm lightning struck George Briscoe's barn, two miles east from town, totally destroying barn and contents, losing a lot of feed, mostly grain he had bought to feed his livestock. This is the second barn he has lost by fire in just a few years.

### FIRE WRECKS WAREHOUSE, PEANUTS, BARN

The worst fire of several years visited Devine late Tuesday afternoon when a barn of W. G. Driscoll, and contents were destroyed and one of the big 50 x 150 foot Bonded Warehouses, half full of peanuts, was wrecked, burned and water soaked, after fire had practically destroyed the barn which stood in a few feet of the warehouse. No great amount of the peanuts were burned and Mr. Curtis, who lives at Pearsall, arrived later with two big trucks and early Wednesday, as we are going to press, the peanuts are being removed. No estimate of the loss has been given out but it will run high if the peanuts are not salvaged pretty well.

## BIRY

Joe Schmidt, now stationed with the Navy at Ashland, Wisconsin, is home on fifteen-day furlough visiting his parents, Mr. and Mrs. George Schmidt.

Mr. and Mrs. Elbert DuBose and daughter, and her husband and W. E. Love from San Antonio spent Wednesday on the farm.

Miss Theresa Keller spent a few days in San Antonio.

Mrs. H. W. Parker from Arkansas arrived here Saturday to visit her husband, H. W. Parker.

Mrs. Walters from Mississippi arrived Sunday to visit her husband, Cpl. Walters, who is stationed here.

Mrs. Regina Schmidt and Misses Lenora and Bettie, of Hondo spent Sunday with Mr. and Mrs. I. G. Schmidt.

Mrs. Alice Ryan of Baltimore, Maryland, and Mr. Bilhartz from Breckenridge, Tex., are spending some time with Mrs. Jack Bilhartz.

## BLACK CREEK

Mr. and Mrs. Paul Haass entertained a group of young people with a dinner on the Hondo Sunday after Sunday School. Guests besides the family were Mr. and Mrs. Jeff Kilough, Cpl. George (Brooklyn) Echaltz, Bryan Musgraves, Charles Wootton, Frances Thompson, Billy West Ward and Edna Jean Mangum.

Mrs. W. A. Ahr and son, Wayne, of LaCoste visited Mrs. J. W. Robertson Wednesday.

Mr. and Mrs. Ernest Hardt and children, Willie Lee and Phoebe Joe, and Mrs. Clarence Ward and son, Billie West, of Freer visited Mr. and Mrs. Paul Haass Saturday.

Mrs. Willie D. Schott and Mrs. T. A. Carter returned on Friday from Mineral Wells where they were guests of Camp Wolters. The two accompanied Mrs. Howard Wallace, formerly Miss Doris Schott, who went to join her husband who is training there.

## LIVESTOCK MARKET REPORT

San Antonio, May 4:—HOGS. Estimated salable and total receipts 500. The Monday trade at San Antonio worked out on a steady to mostly 10c lower basis as compared with last week Friday. The bulk of Good and Choice 180-270 lb. butchers cashed at \$14.15, the day's top of \$14.25 took around 60 head choice 200-210 lb. weights. Good and Choice 160-180 lbs. made \$13.65-14.15 and 150 lb. averages dropped to \$12.75-13.00. Most sows 400 lbs. down brought \$12.90-13.15. Feeder pig trade proved very dull and weak with only scattered sales listed at \$12.00-12.50. Medium grade had to go at \$11.00-11.50.

CATTLE: Estimated salable and total receipts 800. CALVES 1,100. Cattle and calf trade Monday proved fairly active throughout. Most slaughter classes carried a firm price tone while bulls ruled about steady.

## From where I sit...

by Joe Marsh

Pete Swanson fancies himself as an armchair strategist. Sometimes he gets so tangled up, I just can't resist tryin' to straighten him out.

For instance, the other day he was waxing indignant about our soldiers being allowed to buy beer right in camp. Said that was just coddling the troops and would ruin discipline.

I told him the actual facts had already been established by a study the Government made. Their report said chaplains and

the military police agree that instead of ruining discipline, 3.3 beer sold in Army camps provides our soldiers with a mild form of relaxation without impairing their efficiency.

Well, Pete allowed that the chaplains and military police are a pretty good authority on what's right for soldiers. I've noticed lately he's been confining his remarks to the broader phases of strategy.

Stocker calves and yearlings sold on a strong basis in most cases but instances slightly higher.

Common and Medium killer steers and yearlings turned at \$11.00-13.50 with occasional Cutter grade lightweights from \$9.00-10.00. A four load string Medium 1295 lb. grass steers made \$12.75 and one load 1355 lbs. reached \$13.50. A package Medium to low Good 596 lb. yearlings secured \$14.50.

Medium and Good slaughter cows changed hands at \$11.25-12.00. Most Common and Medium beef selections turned at \$9.00-11.25 with Canners and Cutters chiefly \$6.00-8.50. A few extremely thin Canners dropped to \$5.00. Cutter to Medium grade sausage bulls made \$9.50-11.75. Medium and Good slaughter calves earned \$13.00-13.50. Common and Medium \$10.00-13.00 and Culls down to \$8.00, few as low as \$7.00.

Restricted supplies brought out an active stocker calf and yearling trade. Good and Choice mixed steer

and heifer offerings bulked at \$15.00-16.50 with a few lots lightweights at \$17.00-17.50. Common and Medium consignments turned at \$11.00-14.00. Medium grade yearlings claimed \$12.50-14.00.

SHEEP: Estimated salable and total receipts 1,500 including 399 goats. Sheep and goats sold generally steady. A package Good No. 3 pelt slaughter ewes made \$7.25. Cull and Common ewes, wethers and bucks sold mainly for boner purposes at \$5.00-5.75 with rank Culls down to \$4.00. Medium spring feeder lambs turned at \$10.00. Common and Medium killer goats secured \$5.75-6.50. Medium goats on city butcher account turned at \$8.00.

...“It makes Me Wonder What Kind of an American I Am!”

“This morning I visited with the Jones family. Believe me, I learned firsthand what this war means to all of us, and how our loved ones are sacrificing on the war fronts today—right now! That is, I talked to the oldest Jones boy, home on furlough from the battlefield.

“When I learned what our boys at the front are doing—risking their lives in battle, exposing themselves to shell shock and the many other horrors of war, going for days on emergency rations and without a good night's rest, and making countless sacrifices unheard of here at home... well, it made me wonder just what kind of an American I am.

“It made me wonder, too, how many other Americans have been as easy-going as I—going on about our daily tasks, giving little thought to what we can do to help.

“I realize that I, like too many others, have been concerned mostly about how this war is affecting me—instead of finding ways how I can help in our war effort. From now on, when I'm asked to work in OCD or Red Cross—to sell War Bonds or do other wartime jobs, I won't need any excuses. In fact, I won't wait to be asked. I'll volunteer, knowing that my contribution will help bring Victory quicker and speed the return of our courageous fighting men!”

## Washington Snapshots

JAMES PRESTON

All statements and opinions in this column are Mr. Preston's own and do not necessarily represent those of this paper.—M. E.

Present indications are that the bituminous coal controversy has been instrumental in forcing a national labor policy out of the welter of confusion on the manpower front. Plant seizure, stabilization, union behavior, wages, working conditions, strikes, slowdowns, fines, and imprisonment, subpoenas, cooling off, financial responsibility, secret ballots, the 48-hour week, and other phases of the problem are receiving consideration.

—WSS—  
Interest centers around the Senate-approved Connally Bill (S. 796) to amend the plant-seizure section of the Selective Service Act. The House Military Affairs Committee now has this measure and is planning speedy action.

—WSS—  
Some sentiment also has been expressed among Committee members for substitution of the Anti-Strike Bill reintroduced at this session as H. R. 124. There is some doubt, however, whether the Senate would be willing to accept this measure as a substitute for the Connally Bill at this time; but some members of Congress believe the House can add some improving provisions to the latter measure which would be acceptable to the Senate and perhaps to the White House.

—WSS—  
According to the WPB Planning Committee everyone will "suffer loss or, at best, discomfort" in 1943 because of a 15 to 20 per cent curtailment in goods and services for civilians. The Committee suggests a program involving extension of consumer rationing, siphoning off of manufacturing activity in labor shortage areas, curtailing of less essential goods and services, standardization, and consumer education.

—WSS—  
A new peak of \$708,000,000 in lend-lease activity reached during March sent the cumulative total of all lend-lease aid to \$10,319,518,000.

—WSS—  
While Congress on all previous occasions has vigorously opposed any extensive business subsidy program and has refused to appropriate any funds for the purpose, the question is again an important Congressional issue. New developments indicate that the Administration will make a renewed demand for extensive subsidy legislation as a result of OPA's plans to force roll-backs on food prices—action sought by labor unions and promised by government officials.

—WSS—  
On Monday, May 24, public hearings will begin in Congress on plans of various government agencies to change established industrial and business practices. The hearings and investigation will be conducted by a special seven-man House Interstate Commerce Subcommittee headed by Representative Lyle Boren of Oklahoma.

—WSS—  
The Senate Finance Committee, after less than three hours of deliberation, voted 13 to 6 for the principle of the Ruml Plan to abate 1942 taxes completely and put all taxpayers on a fully current basis. This Committee action seems likely to upset the House-approved CIO-sponsored Forand Bill which would have abated only the 6 per cent normal tax and the 13 per cent first bracket surtax.

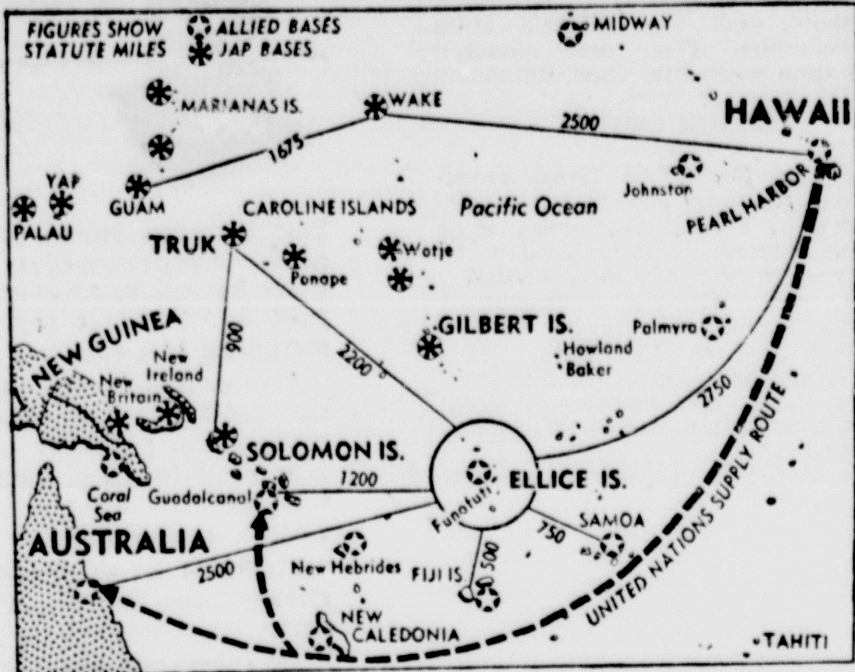

### OPPORTUNITY FOR SEVENTEEN-YEAR-OLDS

The Army of the United States at the present time is offering the 17 year old men an opportunity to enlist in the service of their country. First, those qualified for aviation cadet (air crew) training may enlist in the air forces Enlisted Reserve Corps. Secondly, those who are unable to qualify for air crew training may enlist in the General Enlisted Reserve Corps.

None of these young men will be called to active duty prior to their eighteenth birthday, but in every instance will be called to active duty within six months after they have reached their eighteenth birthday. Each and every one of them in the Enlisted Reserve Corps may, upon completion of their basic training, submit an application for Officers' Candidate School. Upon successful completion of this school they will be commissioned a second lieutenant, Army of the United States.

There is also still an opportunity for those men, 18 to 26 years of age, inclusive, to qualify for aviation cadets (air crew) training with the possibility of five months college

## AIR BASE ON ELLICE ISLANDS

The U. S. won a new island base in the South Pacific when they occupied Funafuti Island, largest in the British-Mandated Ellice Island group, without opposition from Japan. Map above shows U. S. and Japanese Island bases in the South Pacific theater of war.

## A WEEK OF THE WAR

While American land forces were sweeping back the Japanese on fog-bound Attu Island for a last-stand fight on the neck of land between Holtz Bay and Chicagof Bay, American air forces roared through the skies over Europe, Asia and the South Pacific to deliver crashing blows on Axis strongholds. The battle for Attu progressed stubbornly with two American columns forcing their way across the island from Holtz Bay on the north and Massacre Bay on the south. According to Secretary of War Stimson, American casualties were comparatively light up to the time the two columns joined on the central ridge for the attack on the main Japanese positions in the Chicagof Bay area.

Secretary Stimson also announced that several new U. S. Army Air Force units have recently gone into combat against Germany from Great Britain. At a press conference the Secretary declared that the American air offensive against the continent is being stepped up not only in frequency of attacks but also in power of individual raids. He added that large numbers of the new American fighter plane, the P-47 Thunderbolt, are now engaged in almost daily sorties. He said the Thunderbolt—a powerful high-altitude fighter—was proving highly satisfactory in combat.

The net results of the coordinated use of air power in the Tunisian campaign was summarized in a War Department announcement last week. According to the announcement, in the 6 months and 3 days of the African campaign the USAAF and the RAF destroyed 2,000 enemy planes while losing 770 of their own. In the first 11 days of May alone, the score was 300 Axis planes downed against 49 allied planes lost—a ratio of 6 to 1.

And from May 7, the announcement said, the enemy's air strength was almost at the mercy of the Allies. On May 7 the Axis lost approximately 11 planes for every plane the Allies lost. May 7 was the day Tunis and Bizerte fell to the British First Army and the U. S. Second Army Corps. On that day, allied planes flew 2,748 sorties, an average of almost 2 a minute for the 24

hours. (A sortie is a single flight by one plane.)

But this record of plane against plane, impressive as it is, relates only a fragment, the War Department said, of the Air Forces' contribution to the victorious North African campaign culminating in the Axis debacle on Cape Bon. The Mediterranean Air Command, under Sir Arthur Tedder, provided in the Tunisian campaign the first large-scale demonstration of the "resistlessness" of an aerial striking force employing all its capabilities in an integrated pattern.

### Air Divisions Explained

Here, in this announcement, the War Department explained the composition of the Mediterranean Air Command and made clear the division of U. S. air power into the strategic force, the tactical force, the reconnaissance wing, the coastal force, the troop carrier command, the training command, and the air service command.

The strategic air force cut the enemy's lines of supply and communications, which began in Italy and led through Sicily to Tunis and Bizerte. Composed of heavy bombers, medium bombers, and long-range fighters, it struck continuously at Axis shipping, ports, harbors, bases, and other points from which the Axis might dispatch reinforcements of men and material.

The tactical air force, operating in close cooperation with its allied ground troops, armored forces, fortifications, airfields—targets in the area of actual fighting or in the support of a battle at sea.

To the troop carrier command went the job of operating scheduled courier planes to transport military personnel, mail and supplies throughout the entire allied-held northwest African coastline, the aerial protection of our convoys and the handling of anti-submarine operations. The job of the training command was to give all newly arrived combat crews training for the operations peculiar to the theater. The air service command worked to supply and maintain the theater's tactical organizations.

All of these commands, forces and services, the War Department said, provided the "team" that drove the Axis out of Africa.

### THE GIFT

I gave you all my cherished dreams,  
My dearest love I gave to you;  
The castles I had built in Spain—  
With shining towers against the blue!

I gave my thoughts, my hopes, my plans,  
My future years I gave to you;  
And now I take them back—because  
You intimated you wished me to!

—LILLIAN OLIVIER  
8622 Culowee Street,  
La Mesa, California.

### ADVICE

The one who tries to improve  
By criticizing his neighbor  
Should turn to himself instead  
And improve his own behavior.

—OLIVA M. DIAZ  
81 E. Alexandrine,  
Detroit, Mich.

### HEART'S SOLACE

Pink rapture spread along the orchard row.  
From fragrant bough its petals fall  
Uncrushed  
And drift across the hill where  
Crosses grow

To touch my heart and bid its grief  
Be hushed.

—CARRIE HUNTER.  
2904 48th Street,  
Des Moines, Iowa.

### APRIL

White avenues of silence  
Are beautiful with snow,  
Here is frozen music  
Where dreams of wonder grow.

Here is isle of plenty  
With moonlit dreams afloat,  
April is wearing winter  
Wrapped about her throat.

—ANTHONY F. KLICKNER  
521 Rhomburg Avenue,  
Dubuque, Iowa.

### FROM A HILL TOP

I like to crest a higher hill  
And look on peaceful scenes below;  
Green hay fields . . . tall enough to  
mow . . .  
And smoke seen pouring from the mill.

### THIRD OFFICER TO ARRIVE HERE AHEAD OF COMPANY OF WAACS

FORT OGLETHORPE, GA., May 24.—Third Officer Dolores M. Dorsch, of Pittsburgh, Pa., is leaving the Third WAAC Training Center here for duty at the army air base at Hondo, Texas.

Accompanied by twelve non-commissioned WAAC officers, Third Officer (Second Lieutenant) Dorsch will arrive ahead of a company of WAAC clerical workers, chauffeurs, switchboard operators, radio technicians, mechanics, and cooks and bakers. When the company goes into the field it will release an equal number of soldiers for duty elsewhere.

Third Officer Dorsch, who attended high school and business college in Pittsburgh, was doing secretarial work when she enrolled in the WAAC last October. After completing four weeks of basic training at Des Moines, Ia., she attended Administrative Specialists' School, also at Des Moines, and then worked at post headquarters. She graduated from Officer Candidate School on Feb. 23. Always interested in athletics, Third Officer Dorsch was a member of the Metropolitan Athletic Club in Pittsburgh, organizing and conducting badminton tournaments. She was also prominent in swimming, volleyball and tennis.

Third Officer Dorsch is a daughter of Mrs. Theresa Dorsch, 829 Vista Street, N. S. Pittsburgh, Pa.

## THRIFTY!

### ONE-A-DAY Vitamin A and D Tablets

EACH tablet contains 25% more than minimum daily requirements of these two essential vitamins. Insufficient Vitamin A may cause night blindness, may lessen resistance to infection of the nose, throat, eyes, ears and sinuses.

Vitamin D is necessary to enable the body to make use of the calcium and phosphorus in our food.

Insure your minimum requirements of these two important vitamins, by taking a ONE-A-DAY Vitamin A and D Tablet every day.

Economical—50¢ - or less - per month.

Convenient—you take only one tablet a day.

Pleasant—children actually like the taste—and so will you.

IMPORTANT—when buying Vitamins, compare potencies and prices. Get them at your drug store.

### SHIPS

A sailor stood on the quarter deck  
While his eyes looked to the blue;  
He watched the birds in their gliding flight

And dreamed of a ship that flew,  
Until the day when he struck the rocks  
And found that the dream was true.

### VISITOR

The trilliums are growing  
Wee violets are showing  
That Spring has come to stay.  
The dogwood's graceful flowers  
Shake off the warming showers  
As April turns to May.  
All winter we had whiteness,  
But early Springtime brightness  
Soon chases snow away.  
'Til golden summer fingers  
Caress the Spring that lingers  
With us another day.

The WAACs assigned to communications will be radio operators, mechanics, telephone operators or typewriter operators. Office workers include stenographers, typists and statisticians. Others are assigned to the WAAC mess hall as bakers and cooks.

In civilian life Third Officer Severson was employed in the area office of the Social Security Board in Chicago. Her mother is Mrs. Ella Severson, 2543 Eleventh Avenue South, Minneapolis.

### WHAT KIND OF AMERICAN AM I?

Designed to bring about a greater understanding and appreciation of America's part in total war, an advertisement is being published this month in the Hondo Anvil Herald and more than 300 other daily and weekly newspapers in the Gulf South by United Gas Pipe Line Company and associated companies.

"It makes me wonder what kind of American I am" is the heading of the advertisement which outlines a few of the many things soldiers of the home front can do to back up our fighting men and speed Victory.

The sponsoring organization is engaged in production and transportation of natural gas to meet the fuel requirements of war industries, cities and military centers throughout the Gulf South. Its oil production is going to meet military requirements in this country and at distant battlefronts.

The advertisement points out that every civilian can identify himself with the war by voluntarily doing certain jobs working in spare time, investing idle funds and part of earnings in war bonds, and cooperating in the numerous wartime activities now being conducted.

### UVALDE TO CLOSE THURSDAYS

UVALDE, Texas, May 22.—After a series of business conferences, the retailers of merchandise in Uvalde have decided to close their respective places of business each and every Thursday during the months of June, July and August 1943. In taking this action, consideration was given to the volume of business due to Federal Regulations, week hours, Victory Gardens and recreation for employees. This agreement will be in effect Thursday, June 3rd, and will be observed by retailers of merchandise and not necessarily by service institutions.

audiences and movie-goers a few seasons ago, will be the next stage production of the soldier-actors as they prepare to follow up the success of their recent melodrama, "Gold in the Hills".

Directed by Pvt. Leake Bevil, of the special service staff, "Room Service" is the story of a troupe of actors who have run up such a bill in the hotel run by a relative of one of the cast that they can neither stay nor leave. The resulting problems and the surprise and hilarious ending make "Room Service" one of the greatest of recent theatrical productions.

Plans are being made through special service office to present the show sometime in the latter part of June.

**WINS PLAN PICNIC AND FRIDAY NIGHT DANCE**

A picnic, to be held for the members of the Service club staff and men of the special service department, is being planned by the Women in Navigation society.

The picnic will be held Saturday afternoon, May 29, at the picnic grounds on the post. Sports events, entertainment and an out-of-doors luncheon will feature the event.

Turning from its past schedule, the weekly Friday night dances will be opened to all enlisted men on the post. Previously, men from various squadrons were invited but during the summer season this practice will be discontinued.

**LARGE AUDIENCE HEARS AMERICAN SYMPHONY**

The American Symphony, brought to Hondo under the auspices of the U. S. O.-Camp Shows, Inc., played to two large soldier audiences at the post theater, Monday night, May 24.

Conductor of the orchestra, which played selections from many popular symphonies and operas, was Laszlo Halasz, former assistant conductor of the Budapest Royal opera. Elen Longone, formerly with the Chicago and Metropolitan operas, was the mezzo-soprano soloist.

Two performances were given for the enlisted men of the post and officers, cadets and civilian employees. The program was changed for each performance and was planned to have the widest possible appeal.

**TRAVELLING LIBRARY VISITS FIELD**

During the past week the latest unit of the Army's traveling library arrived at the post library, bringing with it 100 of the latest best sellers and the most recently published novels.

The traveling library is a service supplied to individual Army camps with the view in mind of offering military personnel a medium by which to continue this particular hobby.

Periodically, a shipment of books is sent to the field and for ninety days men may draw these from the library in the usual fashion. After these ninety days, they are shipped to another Army base in return for new books, helping to keep a large and continually varying stock on hand.

**POOR SUPPORT FOR FINE PITCHING BEATS HONDO**

Disappointing support behind the pitcher defeated the Hondo Field Comets Tuesday afternoon as the Stinson Field nine scored a 2-to-1 upset in a battle fought at the Hondo diamond.

One of the season's best hurling performances was turned in by Hondo's Marty Errante, who held the visitors to two hits. But two costly

errors by Second Baseman McCoy in the ninth proved Hondo's undoing as Stinson scored the winning run. Errors earlier in the game also hurt Hondo's bid for victory.

The Comets collected five bingles off Ray Baracz.

The victory for the Pioneers threw Hondo and Stinson into a tie for third place in the Service Men's league and lost the Comets their chance to overhaul the second-place Brooks Field Ganders, for the Ganders were defeated Tuesday, 8 to 2, by the loop-leading Randolph Field Ramblers.

Hondo chalked up two wins during the last week, turning back the Kelly Post club, 8 to 4, on Thursday, and shading the San Antonio Aviation Cadet Center team, 3 to 2, on Sunday.

Thursday's game saw Hondo place McGaff on the mound, and the hurler did an excellent job of brushing off the Kellyites. McGaff limited the opposing batters to three hits while his mates were collecting five.

SAAC Center got six hits off Hondo's big Clinton Hartung, but his support was good and the hits kept scattered. The Comets were able to turn four hits into three runs for a triumph.

**POST SOFTBALL LEAGUES HIT BLAZING PACE**

The 842nd, Medics and 837th teams stepped into the lead as the first week of competition was finished in the Inter-Squadron Softball league contest.

Games, played at night on flood-lighted field back of the post theater, will continue through the summer. Interest is growing as the teams develop stronger clubs and the players become seasoned.

The 18-team league has been split into the Red, White and Blue divisions, and the winners of each will vie for the championship in a series closing the season.

Group I Officers surged to the fore in the Officers and Civilians Softball league.

Meanwhile, battle lines are forming in another B league. Other teams may bid for membership but right now the picture shows only teams playing under the flag of Wing Headquarters, Photo Lab, Print Shop, Ordnance, Synthetic Training, and Finance.

In the post inter-squadron league, the 908th has dropped its membership and all teams will draw bves on games scheduled with the 908th.

**SELF-IMPROVEMENT CONTEST WON BY LOYD PAYNTER**

Lloyd Paynter of the 846th Navigation Training squadron was announced this week the winner of the self-improvement contest conducted by the post physical training department.

The contest covered a three-month period. Paynter, in a field of 35 entrants, showed improved chest expansion of 3 3/4 inches and a 7-inch overall gain for the entire body.

Charles A. Reith, second place winner, took 2 inches off his waist and hips and added 1 1/4 inches to his chest expansion. Leroy Garrett placed third.

**SOFTBALL, VOLLEY BALL TOURNEYS SET**

P. H. Limbacher, post assistant physical training officer, today announced badminton and volley ball tournaments for inter-squadron competition would get under way soon.

Squadrons were instructed to organize teams for scheduled play. The Service club court will be available for badminton practice during regular physical training class periods. Badminton team players will not be permitted to also play on the squadron softball teams.

**TWO COMETS LAND BERTHS ON ALL-STAR TEAM**

Clinton Hartung, Hondo Field's pitching ace, and Frank Madura, Hondo stellar second baseman, have been named on the Service Men's Baseball league All-Star team, which will meet the powerful Waco Flying School nine at Tech field in San Antonio on June 7.

Waco, its lineup spotted with former major league stars, has been beaten only once this season, but the San Antonio All-Stars will assure the visitors of a close battle.

Other Hondomen named in the All-Star voting were Hemphill, Errante and Russell.

**SCHUEHLE TWINS IN MARINE CORPS**

Clyde and Claude Schuehle, 18-year-old twin sons of Mr. and Mrs. Henry L. Schuehle of Dunlay, have been separated for the first time in their lives for the last two months, but that is being fixed right now.

Clyde left home one morning a couple of months ago, saying he was going to join the Marines. Claude thought he was joking, so he didn't go along. Sure enough, the next day they knew Clyde was a Marine on his way to San Diego, Calif., for his boot camp training.

This week he came home after completing his basic training, and found that Claude was going through selective service channels to become a Marine, too. Claude was sworn in at San Antonio Thursday as a Marine private, and was given 14 days at home before reporting to San Diego.

So they're spending this week together, then they'll "shove off" for San Diego, almost together again. Clyde will be in advanced training while his brother is in boot camp, and in seven weeks, Claude will join him there.

The boys went to school together at Hondo and worked together on their dad's stock farm.

Just to make the party of Hondo boy's complete, a cousin, Wymeth Schuehle Burligh Groff, went through the induction center with Claude and will go to San Diego with him.

**PLANNING ISN'T NEW**

THE way a lot of people are talking these days, you'd think planning is something new.

But anybody who's ever run a farm or a factory knows that if you don't plan, you can't get the most out of what you have to work with.

To plan properly, the farmer has to know about crops, soils, seasons, tools, and stock; and the man operating a factory has to know about machines, markets, science, and engineering.

Yet for all this specialized knowledge which each of these activities requires, the managers of both farm and factory have much in common in their planning. They have the same problems—to mention a few—of employment and taxes, of costs and a fair profit, of setting aside reserves for a "rainy day."

And they have the same objective in their planning—to do everything they can for their country today, and, tomorrow, to make a fair living through greater service to their fellow Americans. General Electric Company, Schenectady, N. Y.

# Get Studebaker service and keep your car up to par

CARS that are allowed to deteriorate in operating efficiency may affect the success of the entire wartime transportation effort. Don't let your car become a liability when it should be a help. Have frequent inspections made so that serious trouble won't get a chance to develop.

No matter what make you drive, you'll find that the Essential Transportation Workers employed by Studebaker dealers are thoroughly qualified to help keep your car in tip-top condition. They use special wartime servicing procedures that were worked out by factory experts in the great Studebaker engineering laboratories and on the famous 800-acre Studebaker proving ground.

Bring your car in regularly—at least once a month—for a careful Studebaker check-up.

## CALL FOR GAMES AND CURRENT MAGAZINES

At the regular meeting of the Hondo Lions Club Wednesday, Chaplain Clapper of the Anti-Aircraft Battalion on maneuvers near Hondo, requested that an effort be made to secure games, such as checkers, dominoes, etc., and current magazines be contributed to help provide recreation for these boys who are on maneuvers. Lion President Windrow appointed Lion B. G. Powell, Director of the USO, and Dr. Otto Wick, Assistant Director of the USO Club, as a committee of two to arrange for the collection and distribution of the games and magazines to the Anti-Aircraft Battalion.

Patriotic citizens of Hondo are urged to bring their current magazines and games to the USO for this worthy cause.

Lion B. G. Powell stated that the USO had some of the material needed on hand but additional magazines and games for this use would be greatly appreciated.

## NATURAL GAS RATES REDUCED IN HONDO

The City Council was advised by Mr. Fritz Belschner, the local agent for the United Gas Corporation, that the bills being sent out June 1st will be based on the new reduced rates being charged for natural gas. Under the new rates the minimum charge will be \$1.00 and it will be a saving to all residential users. The new residential rates now in operation are as follows:

\$1.00 (minimum) includes up to 400 cu. feet;  
7.0c per Ccf on the next 3,600 cu. feet;  
6.0c per Ccf on the next 4,000 cu. feet; and  
5.0c per Ccf for all additional.

The City Council has been trying to get a lower rate and Mr. Belschner has been doing all in his power to help secure it.

## COUNTY BOARD OF EDUCATION MEETS

The Medina County Board of Education met in regular session May 21st to consider classification of all rural schools. Since there were no requests for change in classifications all schools were classified as they were during 1942-43 term.

The Board set the next meeting date, June 25, 2:30 P. M. at which time all bus routes will be approved for 1943-44 term. It is the board's wish that all districts operating buses will be ready to present their routes since it is essential that those who want and have to transfer will know where to transfer and still have transportation.

C. F. SCHWEERS,  
Secretary.

## THE OLD JUDGE SAYS...

"Anything new, Bert, on that black market trial up at the county seat?"

"The jury came in 'bout an hour ago, Judge. The verdict was 'guilty.' I understand the sentence is going to be a mighty stiff one."

"Can't be too stiff to suit me. Anything those law-flouting racketeers get will be too good for them. How they thrive every time there's an opportunity to sell something

illegally instead of legally in this country. Just like the bootleggers did during the 14 years when liquor was sold illegally instead of legally.

"Unless this black market in meat and other commodities is stamped out and stamped out quickly, Bert, we're in for another dose of the crime, corruption and lawlessness we had following the last World War."
